Do you have a project that makes the world a better place?
Does it have high social or environmental impact?

**Let's tell
100 million people
about it.**

IMPACT spark news
Journalism Day

SUBMIT YOUR PROJECT Impact journalism Day is a global news operation organised by Sparknews that showcases innovative projects that change the world. In the upcoming 3rd edition on June 20th 2015, projects will appear in this newspaper as well as 40 international leading publications and televisions, reaching 100 million people.

TWO CRITERIA 1) The project must be up and running 2) It should constitute an innovative solution to a local or global problem. The project can be run by an individual, a company, an NGO, a public or private organisation etc.
