COUNTRY:	Egypt
CIRCULATION:	1,000,000
TITLE :	New genetic code technology
PAGE:	21
ARTICLE TYPE:	General Health News
REPORTER:	Hatem Sedqy

The image is a composite of two photographs. On the left, a glowing blue and green DNA double helix is shown against a dark background. On the right, a light micrograph shows several pairs of chromosomes within a cell nucleus, appearing as bright, distinct structures against a darker cytoplasmic background.

YOUR REPUTATION IS TOO PRECIOUS FOR SECOND BEST.
