

Kahira Pharmaceuticals shareholders to discuss dividends Sept. 28

Kahira Pharmaceuticals' shareholders will vote on dividend distributions on September 28. The company achieved EGP 85.17 million in profit for the period from July 2018 to June 2019 down from EGP 108.45 million in the previous fiscal year. Revenues, however, jumped to EGP 962.94 million last June against EGP 862.94 million a year earlier. Meanwhile, the sales cost surged to EGP 733.3 million versus EGP 619.25 million in the respective periods.
