

Fitch Solutions: Egypt's pharmaceutical market to grow 8.4% annually (Al Mal, Dec. 11)

Egypt's pharmaceutical market is expected to grow 8.4% per year, according to Fitch Solutions. The minister of investment and international cooperation revealed that some international pharmaceutical companies plan to expand in Egypt, including Johnson & Johnson, which invested EGP 125 million in 2019. GSK also invested around EGP 800 million in Egypt.
