

**Ibnsina Pharma Q1 profits hit EGP 41 mn**

Ibnsina Pharma net profits surged 46.6% to EGP40.99 million in Q1 2019 compared with EGP 27.95 million in the same period last year. The three-month sales jumped to EGP 3.8 billion versus EGP 2.95 billion last year. The company will pay the EGP 160 million fine imposed on its executives convicted in an antitrust case.
