

### **AstraZeneca eyes EGP 1.7 bln sales by 2019-end**

AstraZeneca Egypt targets EGP 1.7 billion in sales by the end of 2019, 30% higher than last year's EGP 1.3 billion. By the end of September, the company's sales had grown by 19% to EGP 57.2 billion, compared to the same period in 2018. AstraZeneca plans to launch diabetes and leukemia drugs in 2020.
