

ICMI to retain 2018 profit

The general assembly of the International Company for Medical Industries (ICMI) has decided to keep 2018 profit as retained earnings. The company posted a net profit of EGP 386,650 in the fiscal year ended in December 2018 versus EGP 299,430 in 2017. Sales also surged to EGP 6.68 million in 2018 against EGP 4.06 million in 2017.
