

### **Sabaa Pharma general assembly discusses profit distribution**

Sabaa Pharma's general assembly is set to discuss the board of directors' proposal to not distribute last year's profit, which reached EGP 1.39 million, to shareholders. In 2018, the drugmaker's net profit plunged by 90.13% to EGP 1.71 million against EGP 17.41 million in 2017. Revenues also dropped to EGP 50.24 million in 2018 versus EGP 84.14 million a year earlier.
