

Sales of public drugmakers reached a total of EGP 1.9 bln in 2018

The Sales of the eight state-owned pharmaceutical companies combined are less than those of Novartis, which tops Egypt's drug sales charts with EGP 4.9 billion. Ten drug companies, including GlaxoSmithKline, Sanofi, Pharco, and Pfizer, dominate 43.9% of Egypt's pharmaceutical industry, achieving annual sales of EGP 29.28 billion.
