

HoldiPharma eyes EGP 18 bln in revenues in FY 2020

HoldiPharma targets EGP 18 billion in revenues by the end of FY 2020. The state-owned firm's subsidiary revenues surged 31.9% to EGP 16 billion and their net profits reached EGP 383 million against EGP 128 million loss in FY 2017/18. The company said that the health ministry's past dues reached EGP 1 billion.
