

Saudi Arabia's MSD wins workplace diversity and inclusion awards

MSD Saudi Arabia won the coveted 'Inclusive Workplace' Award at the 6th Annual Global Equality & Diversity (GED) Awards conference, which was recently held in London, UK. The company was recognized for its approach towards valuing and fostering diversity and inclusion into its workforce. Key achievements included signing the CEO Action for Diversity & Inclusion pledge, supporting Employee Business Resource Groups, enhancing the training of managers, and making progress towards aspirational talent goals for women and underrepresented ethnic groups.
